DOCKETED

AUG 29 2007

DOCKETED BY	nr
-------------	----

RECEIVED
2007 AUG 29 A 11: 31
AZ CORP COMMISSION
DOCKET CONTROL

IN THE MATTER OF THE APPLICATION OF
SEMPRA ENERGY SOLUTIONS FOR A
CERTIFICATE OF CONVENIENCE AND
NECESSITY FOR COMPETITIVE RETAIL
ELECTRIC SERVICE.

DOCKET NO. E-03964A-06-0168

NOTICE OF WITHDRAWAL OF
INTERVENTION

Salt River Project Agricultural Improvement and Power District ("SRP") hereby gives notice that it is withdrawing its intervention in this docket. In support of this withdrawal SRP states:

1. SRP's intervention was solely for the purpose of facilitating its statutory obligation to coordinate with the Commission on matters effecting retail competition (A.R.S. § 30-802(A)). At the time of its intervention request SRP was concerned that this docket would evolve into a workshop on retail competition issues.
2. Based on the pre-filed testimony and the procedural orders, this docket is limited to the single issue of considering the request for a competitive CC&N by Sempra.
3. SRP does not believe that its coordination obligation extends to participating in narrow proceedings such as this one.
4. SRP's subsidiary New West Energy has been granted intervention in this proceeding. It is appropriate that New West Energy, itself a regulated electric service

1 provider, provide the input and argument needed in this case. New West Energy will
2 present witnesses and arguments that of course reflect SRP's views, but are made from
3 the proper perspective of a Commission certificated electric service provider.

4 5. SRP has taken no action in this case other than simply requesting
5 intervention.

6 For these reasons SRP gives notice that it is withdrawing as an intervenor in this
7 case, effective immediately.

8 RESPECTFULLY SUBMITTED this 29th day of August, 2007.
